## **Duties Under Duress Summary**

Complete the following summary as it relates to your living and work duties and how the injury(s) are affecting your performance. List the day to day living duties which are painful or difficult for you to perform as a result of the injuries you sustained in the motor vehicle collision. Include those duties/responsibilities which require that you reduce the time you are capable of performing them. Include all instances where you have received lifting, stretching, bending, sitting, standing, walking or other restrictions which affect your performance.

Work Rea	son for the difficulty	Duration	
Job Description:			
Lifting	Increased Pain
